道藏

聖人如來，十方法界有緣無緣有情無情的眾生，能得到法寶，時時祈求諸大如來能加持供養此經者，假使每個人有因緣供養風水真經放在家裏，如無災無病平安時，無形中，家中會漸漸的興旺，因為家裏的風水妙法雖然你看不見，但你的財源和子嗣都會影響。

唯心聖教唯心道藏是世界和平燈塔智慧明燈

如是我聞

一時，聖教宗主 混元禪師於戊戌年四月十九日，在八卦聖城
唯心聖教學院開示唯心道藏之法脈真義曰：

Taiwan Weixin Shengjiao, Weixin DaoZang, a Lighthouse for the World Peace and a Beacon for the Wisdom

Thus have I heard and handed down.

At that time, on April 19, 2018 (lunar new year), the founder of Taiwan Weixin Shengjiao,
Grand Master Hun-yuan in BaGua Holy Town, the Weixin Shengjiao College, stated the
religious identity of Taiwan Weixin Shengjiao Weixin DaoZang is originated from.

那麼風水真經是本人在天壇，在定中拿筆一一記錄下來，流傳世間傳遍天下，廣利眾生，利益眾生，希望將這正法利益社會，利益眾生來傳下來，今值農曆三月二十六日，就是王禪老祖聖誕，每年農曆三月二十六日是王禪老祖鬼谷仙師聖誕千秋日，普天同慶，所以天界人天同時在慶祝王禪老祖聖日時，混元願以此功德，願以此風水真經供養十方諸天法界、神

五本由頭到尾，那有可能講那麼多呢？
我們的佛陀和諸佛菩薩，在定中修持，過去的高僧大德在修持時，在定中所傳的法，所以寫下來佛所說的，如是我聞，他的心眼、心耳所聽到的，如是我聞，一時在什麼時候聽到的，佛的開示，在定中在天界所說的法，來傳給後世才會有那麼多。不然當時釋迦牟尼佛，只有八正道而已。

壹、道藏法脈源流為何

道藏法脈源流是中國智聖鬼谷仙師天上太極天天龍教主 大羅金仙王禪老祖倒駕慈航，將天人法界聖神心靈潛能智慧與二十一世紀邁天法旨為世界和平而空界傳法到人間的大法寶—唯心道藏。

1. What is the religious identity of Taiwan Weixin DaoZang derived from?

The religious identity of Weixin DaoZang is derived from Chinese Sage Guiguzi, master of Tai Chi Dragon. While the Chinese Sage Wang Chan Lao Chu, the patriarch, being incarnation, Sage Guiguzi, established DaoZang as a response to our spiritual and intelligent souls rely on in the 21st Century and as a wishing to bring peace and harmony which helps create pure and peaceful mind to this world.

貳、道藏之法源

道藏之法源是中華古文明七千三百五十年前伏羲氏祖一劃開天再畫闢地，人立其中萬法生成，天地立宗聖人立教之天人共同智慧—易經、風水與宗教，三才一以貫之熔為一爐，普利人天，凡是天人有天命降凡世間修行找到安心的法門唯一明燈—唯心道藏。

2. What did Taiwan Weixin DaoZang originate from?

DaoZang originated from Chinese ancestor Fuxi, has spread for seven-thousand three-hundred fifty years since Fuxi invented Bagua, in which he names the first draw as the Heaven and second as the Earth and positions human in between. Therefore, countless principles have generated. Thus, the Heaven and the Earth create the world (Tzong宗), whereas the sage establish religions (Jiao教). The practice of the subtle truth and approach indicated I-Ching, Feng-Shui, and religious thoughts to make Human, Heaven, and Earth merge as one union. Taiwan Weixin DaoZang, is not only a beacon but also a lighthouse for benefits of helping those human beings who knew the decrees of the Heaven to rotate whole world peace with blessing wheels and to study the laws of the Heaven and to foster humanistic thoughts.

參、道之實踐與證道

唯心道藏由唯心聖教創教宗主 混元禪師自1982年一場大病覺醒之後與王禪老祖天人合一，將中華文化道統易經、風水與宗教熔為一爐，應用實踐在地球上、人世間士農工商百業趨吉避凶，轉危為安，進而達到人性尊嚴—唯心道藏。

3. Practice and demonstration of Taiwan Weixin DaoZang

After awakening and recovery from his serious illness in 1982, Grand Master Hun-yuan, the founder of Taiwan Weixin Shengjiao, vowed to devote himself to follow the footstep of Guigu Immortal Master Wang Chan Lao Chu and his philosophy that attempts to unite humans to the Heaven with combining Chinese culture and thoughts such as I-Ching, Feng-Shui, Confucianism, Buddhism, and Taoism as one as a union in a furnace. Taiwan Weixin DaoZang is not only established by Grand Master Hun-yuan, who practiced it to keep the four skill categories of the people obtain good fortunes and avoid misfortunes and made the world become peace and harmony, but also meet the goal of achieving human dignity.

肆、道藏之實質與天下太平之關係

易經大無其外、細無其內、萬經之首、人的生命泉源，風水宇宙九大行星的自轉與公轉運行法則，自轉與公轉所發生的能量與人體的五臟六腑細胞與九大行星磁能相互調和運行而產生之人生吉凶禍福，社會和諧，這個法門即是風水學、即是唯心道藏。

4. The reality of Taiwan Weixin DaoZang and its connection with the whole world peace and harmony

I Ching (the book of changes) is hard to be imagined, or you can't even measure or compare it with others even if you use a magnifying glass or microscope. It is also the origin of ethical practice in traditional culture and natural philosophy of human life. Feng Shui, the operation styles and magnetic energy, is generated by rotation and revolution of the nine planets in the universe with cells of internal organs from human body. Also, it causes the variety situations of lucky, misfortune, or social harmony. Thus, the philosophy of Feng-Shui is also called Taiwan Weixin DaoZang.

伍、修道、悟道、證道、行道與弘道

經得起實踐與考驗的真理才是正法。唯心道藏自1982年起由混元禪師與王禪老祖身、口、意供養天人合一，加上三十六年來的人世間百業士農工商，無論政治、工商企業、家庭、教育、學校、工廠等等關係而證道、行道、弘道所得的善果—唯心道藏。

5. The verification from the study, the realization, the demonstration, the practice, to the lecture of of Taiwan Weixin DaoZang

This religion that can withstand practice and testifying can be the truth since Sage Wang Chan Lao Chu and Grand Master Hun-yuan united and passed the knowledge that attempts to unite humans to the Heaven in 1982. With the efforts made by co-related people from the variety fields of society, such as politics, business, family, educations, schools or factories after studying, realizing, demonstrating, practicing or lecturing this religion, Taiwan Weixin DaoZang has reached the very successful achievements.
